

Dear Potential Sponsor,

The **Ferndale Youth Sports (FYS)** is a non-profit organization dedicated to providing our community with a safe, fun and superior instructional youth football program for over 80 youth ranging in age from 7 to 13 years old (football) .

We are closely integrating our youth teams with Ferndale High School, working with the high school coaches as our football liaisons to drive consistency of philosophy, terminology, drills, and plays from 2nd grade all the way through senior high school. In short, we're working hard on building a true program - one that our community can take pride in - on an off of the field.

We're actively seeking sponsors to assist us in meeting our budgetary goals for future seasons. Specifically, we are looking for individual or corporate sponsors that are willing to pledge a tax deductible donation. As a sponsor, either you or your business will benefit by being recognized for your support of our community-based youth athletics program. Your donation will greatly assist our organization by providing equipment, uniforms and an invaluable experience for the youth and families of our community.

As we kick-off our second season in the North Cascade Youth Football League (NCFL), we are seeking **Sponsors** who want to be recognized as founding sponsors of youth football in Ferndale. Thank you in advance for considering supporting our boys of the Ferndale community!

Sincerely,

Ferndale Youth Sports
